Teacher's Notes: Before, During, and After Watching the Video

Before Watching the Video

- **Introduce the topic** of vacation planning and ask students about their dream destinations.
- **Discuss** different modes of transportation (car, bus, plane) and their pros and cons.
- **Explain the vocabulary** they might hear in the video (e.g., resort, amusement park, scuba diving).
- Prepare students to listen for comparisons (e.g., cheaper, quieter, closer, more exciting).
- Encourage students to think about factors influencing vacation decisions (e.g., cost, comfort).

During Watching the Video

- Ask students to note down examples of comparisons made in the video.
- Have students pay attention to reasons given for each vacation option.
- Encourage them to identify which option the family chooses and why.
- Ensure students listen for the family's decision on transportation and their reasoning.
- Pause periodically to clarify any unclear points or vocabulary.

After Watching the Video

- Discuss the family's decision and whether students agree with it.
- Review the comparisons and reasons given for each vacation option.
- Have students complete the quiz based on the video.
- Encourage students to debate which transportation method they would prefer and why.
- Assign a short writing activity where students plan their own dream vacation using comparisons.
